## EXPERIENCE

### Freelance Designer

Spring 2020 – Present

Working on contract design projects including user interface design work with Elemeno Health.

### UX Intern | Modsy

Summer 2019 | San Francisco, CA

Improved the interior stylist experience at a home interior digital service start up by reducing operational bottleneck and providing interface changes to internal and customer facing products.

### Design Intern | CMU HCI Institute

Summer 2018 – Fall 2018 | CMU, Pittsburgh

Created personalized data visualizations and UI for a smart classroom device that teachers will use to inform their teaching.

### Visual Designer | CMU Undergraduate Research Office

Fall 2017 – Spring 2018 | CMU, Pittsburgh

Led the creation and management of all visual graphics and print media needed for CMU undergraduate research events.

## PROJECTS

### ‘CK Challenge’ Game | Community Kitchen: Pittsburgh

Spring 2020 | Pittsburgh, PA

Designed an educational game for a non-profit organization aiming to help formerly incarcerated individuals study and prepare for food safety certification for future employment in the culinary industry.

### ‘Third Space’ Concept | Fiat Chrysler Automobiles

Spring 2019 | CMU, Pittsburgh

Tasked to design a concept for an automobile experience between the home and work for the future of autonomous vehicles.

### Branding | East Coast Asian Alliance Conference, 2020

Summer 2019 – Spring 2020 | CMU, Pittsburgh

In charge of the branding and visuals of 300+ attendee conference all around Asian American identity.
